

Driving range

Why do we constantly replace our range balls before they get too old? Because we know how important it is to developing feel in your game.

Ask us about our range plans. They'll save you money and give you access to the range, 24/7.

Automatic Tee Stations

NEW! Automatic tee stations. 1st in USA. Never bend down again.

Preferred Member Area

- Members-only keyed entry
- For the serious golfer
- Fully automated tee stations
- Private quiet practice area
- Shock-resistant hitting surfaces
- Can be rented for private parties

Open 365 Days!

Heated! Lighted! Covered!

Double Decker Range!

Mini golf

There's nothing "mini" about our mini golf course! A full 18-hole course, complete with ponds and streams, is the perfect spot to spend some quality time with your family. And our shaded picnic grove is a great venue for parties.

Golf School

Practice is important, but it won't do you any good unless you practice the right thing. Our staff of PGA certified pros will give you the guidance you need. Practicing without their help would just be nuts.

Instructors:

Jean Platt Spencer

LPGA Member - Class A Professional
Former Director of Golf: Somerton Spring

John Savage

Master Teaching Professional
Certified "Golf Machine" Instructor

Pro Shop

You know that feeling you get when brand new technology is introduced? So do we. That's why we stock the latest equipment from Callaway, Ping, Titleist, TaylorMade, Cleveland, Cobra, and more. We also know that sometimes you want to do more than just look. So we welcome you to test them out on our practice range for free, and see which one's will make it into your bag.

Having an outing? We'll put your logo on golf balls, shirts and more! No order too large or small.

Gift Cards are available in any amount for lessons, merchandise, or range balls.

We have great pros on staff. We also have a very cool launch monitor. Together, they can fit you with a set of clubs that will help you play your best.

- **RE-GRIP:** Slippery grips can cost you strokes. Our pro shop will install new grips by Winn and Golf Pride in 48 hours. Guaranteed.
- **RE-SHAFT:** Losing distance? Have your present clubs upgraded with the latest shafts from Fujikura, Nippon, Grafalloy, Rifle and more.
- **SPIKES:** Bring your shoes in and we'll put in new spikes while you're on the range or taking a lesson.
